

About Parkside

Since the first Parkside estate was developed 60 years ago, the company has embarked upon a plan to create estates that provide a level of facilities unmatched anywhere on the east coast.

Award winning communities have been developed, providing a place to call home for thousands of North Queenslanders.

According to Parkside Group Director, Mr Peter Tapiolas, "The Parkside Group has demonstrated such a proficiency for more than six decades, that we are highly regarded as a brand leader in the development industry. With a current pipeline of projects valued at more than \$1 Billion when completed, we have developed an impressive record of quality and deliverability."

The Parkside Group's various communities include the 1400 lot riverside WillowBank Estate, the 1000 lot Kingston Park estate in the northern beaches of Townsville, the 1000 lot Palms Estate in Condon and its latest development, Libertyrise on the foothills of Mt Louisa, has just been released.

As well as residential estates, Parkside Group is involved in:

- Commercial Construction
- Units and Villa construction
- New Home Construction
- Shopping Centres
- Retirement Villages
- Timber Mills
- Truss Plants
- Hardware

Parkside is proud of the fact that over the last 60 years, more than 6000 families have chosen a Parkside community for their home or investment.

We take pride in maintaining our reputation for high standards, innovation and excellence and are determined to use our 60 years' experience and industry leadership as a benchmark for future growth and to develop communities that we can be proud of.
